Hello all,

It's time again to call the interagency together to download the latest events around Bay Delta Restoration. Please join us for an update on the latest on the Bay Delta Conservation Plan and related developments—it appears that 3:00 Friday, June 8th will work best for most folks. All signals point to a busy summer and it will be good to make sure we are all on the same page—an agenda will be circulated ahead of the meeting. Please RSVP to this invite and contact Ann Hunter-Pirtle [Ex. 6 - Personal Privacy] with questions. Thank you.
